

With the President's "Faith Initiative," we engaged the "National War Council" therein supporting and helping to fulfill his "Make America Great Again" agenda and continuing in 2020 to "Keep America Great!" Supporting national policies and objectives that undergird the founding principles and values of our amazing nation and the NWC's vision and mission.

## Constitutional Convention Address on Prayer

June 28, 1787, Philadelphia, PA

Mr. President:

“...I have lived, Sir, a long time and the longer I live, the more convincing proofs I see of this truth - that God governs in the affairs of men. And if a sparrow cannot fall to the ground without his notice, is it probable that an empire can rise without his aid? We have been assured, Sir, in the sacred writings that "except the Lord build they labor in vain that build it." I firmly believe this; and I also believe that without his concurring aid we shall succeed in this political building no better than the Builders of Babel: We shall be divided by our little partial local interests; our projects will be confounded, and we ourselves shall become a reproach and a by word down to future age. And what is worse, mankind may hereafter from this unfortunate instance, despair of establishing Governments by Human Wisdom, and leave it to chance, war, and conquest.

I therefore beg leave to move -- that henceforth prayers imploring the assistance of Heaven, and its blessings on our deliberations, be held in this Assembly every morning before we proceed to business, and that one or more of the Clergy of this City be requested to officiate in that service...”

## Vision:

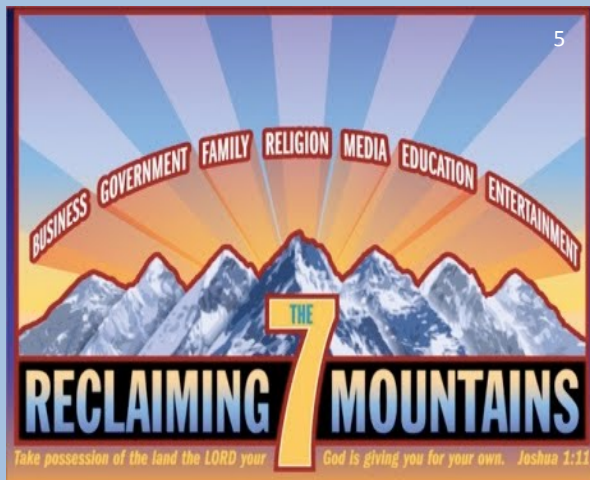

With the Divine Providence of our creator, the National War Council (NWC) is empowered by God to assist in “repairing the breach” of Judeo-Christian values and principals in our nation and restore the binding covenant and scriptural cornerstone by which our Founding Father’s pioneered and established the United States of America. (Psalms 127:1, Isaiah 58:12)

## Mission:

Leadership of the “War Council,” working actively with “battle tested” *intercessors* and *Watchman* are sounding an alarm (Shofar) as a clarion call to spiritual warfare in retaking the high-ground of “faith” and unity in God forfeited over the last century in the seven mountains of influence. (Ephesians 6:12)

Standing as sentinels against the ever-growing tide of debauchery, corruption and moral morass, the Remnant Church (Ecclesia) will intercede in prayer and actively protect the Constitution, the three branches of government, and the Judeo-Christian principles on which our nation was founded.

## A Step Toward Restoration

9

“...the faith initiative will help design new policies that recognize the vital role of faith in our families, communities, and our great country.

This office will also help ensure that faith-based organizations have equal access to government funding and the equal right to exercise their deeply held beliefs. We take this step because we know that, in solving the many, many problems and our great challenges, faith is more powerful than government, and nothing is more powerful than God.” **President Donald J. Trump, Rose Garden, May 3, 2018**

10

Following in the footsteps of strong decisive Presidents like Abraham Lincoln and Ronald Reagan who defended the Constitution as well as respected military leaders like General George Washington who fought for independence as the Commander of the Continental Army and Andrew Jackson who defeated the British in the Battle of New Orleans during the War of 1812, the National War Council will actively support President Donald J. Trump who has expressed the vital role of faith in our nation, his love of veterans (and their families) and the emblematic American flag.

11

Lest we forget, the stripes represent the original 13 Colonies and the stars represent the 50 states of the Union. The colors of the flag are symbolic as well; red symbolizes hardiness and valor, white symbolizes purity and innocence, and blue represents vigilance, perseverance and justice. Like our national symbol the Bald Eagle, “Old Glory” should never be trampled but held in the highest regard.

## “Minutemen”

The rapid call to action of the NWC is analogous to the civilian colonist during the American Revolutionary War.

Minutemen were civilian colonists who independently organized to form well-prepared militia companies self-trained in weaponry, tactics, and military strategies from the American colonial partisan militia during the American Revolutionary War. They were also known for being ready at a minute's notice, hence the name.

Legendary for their enthusiasm, political reliability and strength, minutemen provided a highly mobile, rapidly deployed force that allowed the colonies to respond immediately to war threats.

For the prophetic aspect of the War Council, there is a scriptural basis in the Bible for prophetic insight during times of war. In II Kings 6, Elisha warns Israel's King Joram of the strategies and pending attacks of the enemy – King Ben-Hadad of Aram. The warnings came so often that the opposing King felt he had a traitor in his inner-circle. With both prophetic and verifiable truth, “minutemen” from around the country will have specific guidance for (warfare) intercession.

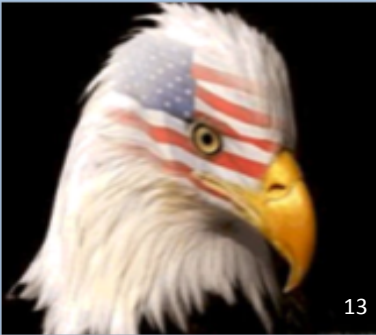

From a scriptural standpoint the same holds true for appointed “watchmen.” As the Spirit spoke through the prophet Ezekiel, “<sup>7</sup> Now, son of man, I am making you a watchman for the people of Israel. Therefore, listen to what I say and warn them for me. <sup>8</sup> If I announce that some wicked people are sure to die and you fail to tell them to change their ways, then they will die in their sins, and I will hold you responsible for their deaths. <sup>9</sup> But if you warn them to repent and they don't repent, they will die in their sins, but you will have saved yourself. [Ezekiel 33:7-10]

“Blow the trumpet (Shofar) in Zion, sound an alarm in my Holy Mountain” is from Joel Chapter 1. At any given time, the NWC can activate a national call to action as well as watchman from any region and/or state that need immediate prayer and/or active participation in supporting the mission of the council.

# National War Council

The inspiration for the “National War Council” was given to Jim Stockstill in early 2018. With the division of the country following the election of Donald J. Trump in 2016, it was obvious the forces that have tried to destroy our heritage and alter Judeo-Christian principles on which our nation was founded were intent on fulfilling their destructive strategies. The NWC was not established to represent a political party, denomination or ecumenical affiliation – the vision and mission are clearly stated. In 1989, in his farewell speech, President Ronald Reagan eloquently defined his vision that America is “the shining city upon a hill...” Those that choose to join believe in the sovereignty of Almighty God (One Nation under God) and that America was divinely founded to be a beacon of hope and light to the world.

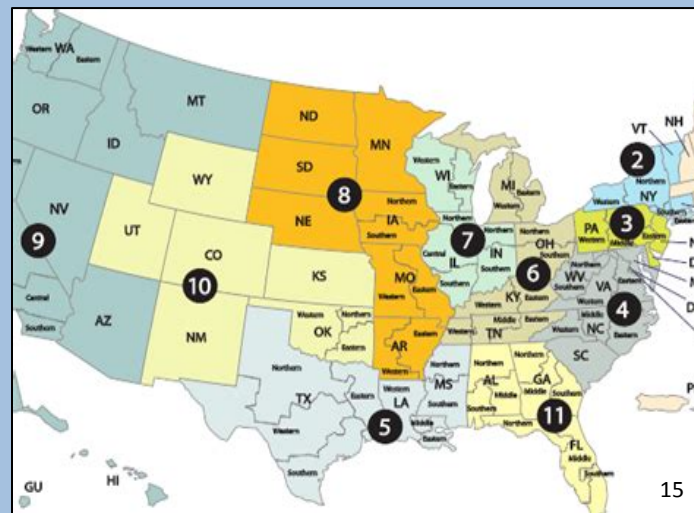

The name “War Council” is not politically correct and may seem offensive but make no mistake the hardworking men and women of this nation are at war with the forces of evil that want to transform our society into a Socialist utopia where “evil is called good and good is called evil” (Isaiah 5:20); where government replaces God.

We fight this war with love and tenacious intercession reminding our fellow Patriots of our rich heritage and the principles of our Founding Fathers. With the favor of providence, we hope to reawaken the church (Ecclesia) to her true call and position in the Kingdom of God. By means of the “minuteman” network, prayer warriors will be alerted to urgent national matters. Our leadership team, “Digital Army” and multiplicity of social and media outlets will share unbiased and relevant news on multiple platforms to the American people. Our position papers, teaching and occasional prophetic words will be posted and e-disseminated as well.

As an organization, we genuinely appreciate your prayers and support as lead by the Lord.

# National War Council

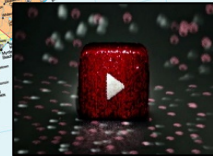

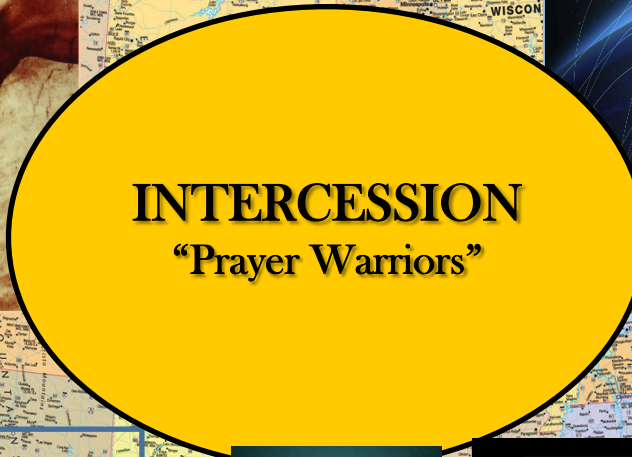

The NWC is not looking at the number of “battle tested” intercessors but their dedication, anointing and understanding of spiritual warfare. Individuals selected will be guided by Holy Spirit and led to join our mission.

The scriptural basis for a dedicated number of intercessors (warriors) is found in Judges Chapters 6 and 7. With Jehovah fighting on their behalf, Gideon and a handful of soldiers were able to defeat the Midianites, the Amalekites and all the other eastern peoples that had settled in the valley, thick as locusts. Their camels could no more be counted than the sand on the seashore. Yet, the Israelites prevailed against all odds.

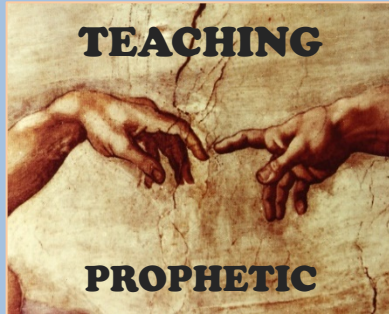

An intercessory leader will be selected for each of the 12 judicial regions of the United States supported by watchman and/or intercessors carefully screened and selected. Although the intercessors may have existing networks in place, our undertaking is not to replace intercessory networks but to augment and target specific state and national issues.

# Servant Leadership

Jim Stockstill

With a vision of the NWC, Jim has God's heart for our nation. A "born again" experience in 1976, he has a background in ministry and mission trips. As an entrepreneur he is used in business and civic organizations as a gifted leader, mentor and coach. In 1984 Jim was on the ticket with Regan/Bush, and after nearly beating an incumbent, the Republican National Committee and State of Louisiana party leaders appointed him District Chairman of the GOP. Since that time, a prolific fundraiser, he has helped to elect individuals to political office at the municipal, state and federal levels. As a prophetic/seer, he moves in the power of the Holy Spirit through teaching, discernment, words of knowledge and deliverance. Jim serves as the Chairman of the Formation Committee.

# Scriptural Prototype of Prophetic Warning for the NWC

Kingdom of Aram: a region mentioned in the Bible (below) located in present-day [Syria](#), including where the city of [Aleppo](#) now stands. At its height, Aram stretched from the Lebanon mountains eastward across the [Euphrates](#), including parts of the [Khabur River](#) valley in northwestern [Mesopotamia](#) on the border of [Iraq](#).

II Kings 6: now the king of Aram was at war with Israel. After conferring with his officers, he said, “<sup>8</sup> I will set up my camp in such and such a place.” <sup>9</sup> The man of God sent word to the king of Israel: “Beware of passing that place, because the Arameans are going down there.” <sup>10</sup> So the king of Israel checked on the place indicated by the man of God. Time and again Elisha warned the king, so that he was on his guard in such places. <sup>11</sup> This enraged the king of Aram. He summoned his officers and demanded of them, “Tell me! Which of us is on the side of the king of Israel?” <sup>12</sup> “None of us, my lord the king,” said one of his officers, “but Elisha, the prophet who is in Israel, tells the king of Israel the very words you speak in your bedroom.”

## Prophetic – Seer Anointing

It was common for Jehovah to use anointed men like Joseph (Pharaoh), Daniel (Nebuchadnezzar), Nehemiah (King Artaxerxes) and others like Samuel and Nathan to advise and give prophetic insight to Kings. As noted above, on many occasions, Elisha provided actionable intelligence on threats to the King that were verified through the Royal Guard and Military Intelligence.

## Truth → Power

To support the assignment of “Watchman”, former military and Intel personnel who held various levels of clearance will help to verify action that may adversely affect the United States or key allies. These men and women are committed to upholding the Constitution and national security/sovereignty of our nation. Non-classified Intelligence will be discretely passed along to intercessors and other personnel.

# UNITED STATES INTELLIGENCE

The National War Council will use retired veterans from the military and Intel Agencies that are American Patriots and willing to provide non-classified Intel.
