“Where is God in this?”

Perhaps the question should be, where are the seers and true prophets of God? While the United States was “blindsided” by a biolab created virus released in Wuhan, China resulting in commerce, academia, religious assemblies and society being essentially shutdown, and illness and death took its toll on thousands, we have heard few true prophetic voices. Thankfully, at this point, the nation has not experienced the resurgence of the virus after weeks of mandated quarantine. Nevertheless, with the planned and coordinated riots following the senseless death of George Floyd, citizens may experience new cases of COVID-19 as well as a morphed version of the virus. This is only phase 1 of the strategy to destroy the American economy and the way of life that we have known for many decades.

Peaceful demonstrations are legitimate ways to express displeasure and frustration over issues that affect society but what Americans have witnessed is fueled by anarchists that despise our democracy, free market system and historic Judeo-Christian values. Waiting and scheming, hate groups have hijacked peaceful demonstrations. These malicious terror groups were mobilized and are led from a command and control center comprised of former appointed and elected officials at the highest levels, the elite among Liberals and Socialists, and media strategists and Deep State operatives from the Intelligence community. Of course, funding from evil benefactors like George Soros and celebrities have enabled this assault on innocent people, businesses, Law Enforcement and those who have taken an oath to defend the homeland.

For those of “faith,” naivety or choosing to ignore the evil cabal of “enlightened ones” – Illuminati or the New World Order that are controlling events in America and around the world is not going to make the diabolical efforts go away. Before you hide

your head in the sand and ignore facts, let me remind you of former President George H.W. Bush (Skull and Bones – Yale, 1948) and his speech on their vision of a New World Order (https://youtu.be/byxeOG_pZ1o) given before a joint session of Congress on September 11, 1990. "Poppy" Bush, also former Director of the CIA, championed the NWO as a high-level official in the Deep State. While the teaching on the Deep, Dark States and Satanic Bloodline families are for another time, I will say that Yeshua taught his disciples in Matthew 10:16, "... to be as shrewd as snakes yet as harmless as doves." Fully understand your enemy but do not imitate their activities. With itching ears and a "hot tub" mentality, the "Church" in large part has become accustomed to their nice twenty to thirty minute "leftovers" and prepackaged messages. For those that do allow "prophetic" words, the flocks have been fed sweet lullabies, showers of blessings, rivers of joy and breakthrough after breakthrough. True prophetic words are prohibited, quashed or repudiated as being carnal and not from our loving God. Is it any wonder that the Coronavirus was like a punch in the face for unprepared and unsuspecting sheep? The violence now ripping our nation apart was certainly unexpected in the progression of prophetic bubbles, rainbows and a new breakthrough every week.

With that reality of emotional carnality (malnourished sheep and hyped-up prophecy) crushed by this last week of violence, destruction and even loss of life across our nation, many have asked, "where is God in all of this?" And my response is twofold, the cup of sin and corruption in our nation was overflowing and requires correction and judgment. Secondly, in times of crisis, "where are the true prophets of God?" As a prophet who gave the prophetic word of the "Storm of Justice" in 2018 and again in 2019, I believe Amos 3:7 "But the Lord Jehovah will do nothing, but he revealeth his secret unto his servants the prophets." (Darby) First, a warning message of the virus and its consequences would not have been allowed to interrupt the calming messages of peace and prosperity (can't stop the money machine) and secondly, who would have accepted such a dire warning from a prophet in the midst of America rebounding and soaring to the most vibrant economy in the world? We were on our way

to "American greatness" once again. There was one small problem, our sin, akin to a caldron boiling over rose to the heavens as a stench in the nostrils of our pure and righteous God/Father. Without detailing the debauchery and degradation of sin ravaging our nation and embraced and promoted by those that seek to destroy the principles of our Founding Fathers and the values we once held sacrosanct, you can read the warnings given in "A Storm is Coming" - 2018 and on Halloween night, 2019: <https://trueconservativepundit.com/2020/03/21/a-storm-is-coming/>, <https://trueconservativepundit.com/2020/03/22/a-storm-is-coming-the-chariot/>

In the vision of the Storm of Justice, I was shown correction to shepherds and leaders (those that call themselves Apostles, Prophets, Teachers, Pastors and Evangelist) of the ecumenical community, indifferent Sheep (congregations, parishioners, etc.) that have strayed from their first love (Revelation 2:4) and judgement against those the Apostle Paul mentions in Romans 1:

5

"²⁸ Since they thought it foolish to acknowledge God, he abandoned them to their foolish thinking and let them do things that should never be done. ²⁹ Their lives became full of every kind of wickedness, sin, greed, hate, envy, murder, quarreling, deception, malicious behavior, and gossip. ³⁰ They are backstabbers, haters of God, insolent, proud, and boastful. They invent new ways of sinning, and they disobey their parents. ³¹ They refuse to understand, break their promises, are heartless, and have no mercy. ³² They know God's justice requires that those who do these things deserve to die, yet they do them anyway. Worse yet, they encourage others to do them, too."

In late December, I had asked the Lord why His "Storm of Justice" had not occurred as it felt forthcoming in the vision. He said, "as a tropical storm intensifies over warm sea waters and frequently comes ashore as a ferocious hurricane, so has my wrath

grown in intensity to usher in necessary correction for shepherds, wayward sheep and the proud/arrogant whose secret strategies and sin will be exposed and judged. It will no longer tarry but hasten for My intended purpose."

What Americans have experienced in the first part of 2020 can be attributed to mankind. The biological virus that has affected the citizenry was created in a lab for nefarious purposes and has achieved the goal of illness, loss of life and mandated quarantine that has crippled the once robust U.S. economy. While fighting to recover from the virus and quarantine, the senseless death of a man by police brutality led to the riots we have seen throughout the nation. This was the spark that the NWO (Illuminated ones) puppeteers, with their anarchist and hired thugs, had long awaited during the Presidency of Donald Trump. In the vision, these were known ahead of time by the Lord and their nature will further the "Storm of Justice."

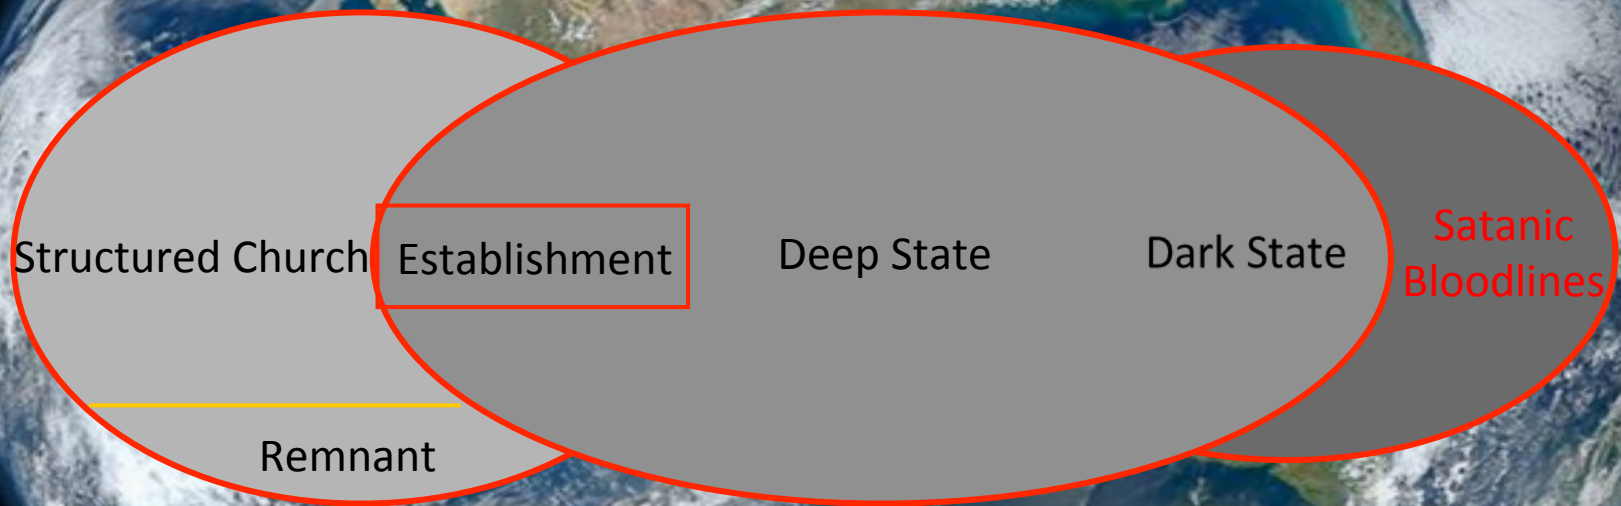

As the Lord spoke about a tropical storm intensifying into a hurricane, the United States will experience a very destructive hurricane season. I saw a storm(s) in the Gulf of Mexico that would be one of the most destructive we have experienced.

In early January, I continued to read scripture and hear from the Lord about "earthquakes." I shared these privately and noted in my journal but did not want to believe more destruction and disaster would come upon America. As the months went by, I continued to have confirmation in scripture and in my private devotional time. Still, I did not want to speak of them to groups or write and send out as a prophetic warning. However, over the last six weeks there have been earthquakes in the 4.4 to 5.6 range in expected areas but nothing of the magnitude that Japan witnessed in 2018 (pictured). While I continue to pray that it not be so, I believe there will be a major earthquake as part of the "Storm of Justice."

"Where is God in all of this?" Again, I ask where are the seers and true prophets of God that are to warn us? Where is the modern-day voice of a Billy Graham calling individual's and our nation to turn to God? I am heartbroken knowing that many of our shepherds have gone the way of Balaam and too many sheep have gone the way of the church of Ephesus – leaving their first love. The "Storm of Justice" will rage through 2020 and months beyond. Will we harden our hearts as the Egyptians, or will we repent and turn from our wicked ways and search for God with all our heart? With a burden for our nation, I am earnestly praying that we turn back – "In God we Trust." May the Lord bless you and have mercy on the U.S.A.

World's Population in 2020: 7.7⁸
Billion

In the latter days and there are many that do not know God and many more that are turning away from the beliefs of previous generations. We are told there will be a “falling away” before the son of perdition is revealed (2 Thessalonians 2:1-3) while at the same time the harvest (of souls) is ripe. (Matthew 9: 35-38, Luke 10: 2)
