“Repair the Breach”

July 7, 2020

“Omniscient”

With over 36 million Americans now unemployed, it is certainly a privilege to have a job; each week of the pandemic, millions more file for unemployment. As businesses figure out how to adapt their business models to a socially distanced world, numerous sectors are suffering, from retail to fashion to restaurants. But one industry that is unexpectedly thriving is psychic services. The "Supernatural Readings" business category was up 140 percent as more Americans turn to tarot card readers, mediums and psychics.² Most “enquirers” are wanting to know about their future – “what is going to happen to me?”

As previously published, the Lord spoke to me in 2018 and again in 2019 that “A Storm is Coming.” Late in December He said, “My storm has arrived and will bring correction and judgment and will not abate until the summer months of 2021.” Obviously, our nation has experienced the panic and resulting quarantine due to precautions related to the Coronavirus. Then with a vengeance and preplanned precision, Americans have witness riots, mayhem and murder of innocents in our streets.

Where is God in all of this? Those turning to mediums and psychics, as well as everyday decent Americans, are asking what is happening to our nation, how did this come about, is it safe to walk the streets and will things ever return to normalcy? There is an eternal answer: The Grandmaster of chess in His Universe. The one true God (Jehovah) is all-knowing (Omniscient) – the Alpha and Omega (Revelation 22:13). As the Lord says, **“I make known the end from the beginning, from ancient times, what is still to come.”** I say, **“My purpose will stand, and I will do all that I please.”** (Isaiah 46:10). He, as at the Cross, is lightyears ahead of the evil intent and strategies of the wicked puppets and evil puppeteer. (Psalms 2)

“Repair the Breach”

The Vision:

The Lord and I were looking down in a large meeting hall that resembled the size of an arena or convention center. It was old and made of stone with a decorative high ceiling and massive columns evenly spaced around the circumference of the room. It was dimly lit by torches and people were dressed in some form of embellished robes. There were many crowded in the room standing shoulder to shoulder. A leading figure stood above the massive crowd and stated the celebration and festivities were about to begin. I noticed a small commotion as people were looking around as though searching for a family member or friend. Once they settled down, with a nod of the leaders' head, numerous soldiers, armed with swords, appeared from behind the columns and began advancing on the encircled crowd. The vision ended.

Knowing I had questions, without verbally speaking, the Lord said, “Go and read about My servant Jehu and then I will explain what you were shown.”

Servants of Baal Killed

2 Kings 10: ¹⁸ Then **Jehu** brought all the people together and said to them, “Ahab served Baal a little; Jehu will serve him much. ¹⁹ Now summon all the prophets of Baal, all his servants and all his priests. See that no one is missing, because I am going to hold a great sacrifice for Baal. Anyone who fails to come will no longer live.” But Jehu was acting deceptively in order to destroy the servants of Baal.

²⁰ Jehu said, “Call an assembly in honor of Baal.” So, they proclaimed it. ²¹ Then he sent word throughout Israel, and all the servants of Baal came; not one stayed away. They crowded into the temple of Baal until it was full, from one end to the other.

“Repair the Breach”

Servants of Baal Killed...

²² And Jehu said to the keeper of the wardrobe, “Bring robes for all the servants of Baal.” So, he brought out robes for them. ²³ Then Jehu and Jehonadab son of Rekab went into the temple of Baal. Jehu said to the servants of Baal, “Look around and see that no one who serves the Lord is here with you—only servants of Baal.” ²⁴ So they went in to make sacrifices and burnt offerings. Now Jehu had posted eighty men outside with this warning: “If one of you lets any of the men, I am placing in your hands escape, it will be your life for his life.”

²⁵ As soon as Jehu had finished making the burnt offering, he ordered the guards and officers: “Go in and kill them; let no one escape.” So, they cut them down with the sword. The guards and officers threw the bodies out and then entered the inner shrine of the temple of Baal. ²⁶ They brought the sacred stone out of the temple of Baal and burned it. ²⁷ They demolished the sacred stone of Baal and tore down the temple of Baal, and people have used it for a latrine to this day.

²⁸ So Jehu destroyed Baal worship in Israel.

Arch of Baal

On Monday, September 19, 2019 a replica of the Temple of Baal arch was erected in New York City. (<https://youtu.be/YBb0RkKkM04>) One headline stated, “Temple of Baal arch arrives in New York as America’s turn away from God continues.” ⁵ As further warning of spiritual insight and wisdom, Michael Snyder portentously believes, “A Gateway could be opened when the Temple of Baal is Erected in Times Square.” ⁶

So, what is happening? Has God lost control and “principalities, powers and spiritual wickedness in high places” have taken control of our, “covenant nation?” Hardly, the Grandmaster of the Universe (Jehovah) is using the pride, arrogance and sadism of evil to bring righteous judgement against the reprobates that hate this nation and our Judeo-Christian heritage.

“Repair the Breach”

The Prophetic and Interpretation:

After reading and praying over the history of Jehu, I understood what was taking place in the vision. The Lord then began to explain:

“What you have seen with my servant Jehu is what is taking place in My nation. I looked to the day when the reprobates and those filled with loathing and hatred for My ways would emerge like asps out of their nest. As with the Baal worshipers, those that have been hiding and secret worshipers of false idols are now emboldened in pride to gather and show themselves openly. Their filth has reached My Throne; defilers, murderers, corrupt whores and blasphemers arrogantly boasting of their wanton rampage? These are full of deceit and fraud, children of the devil, enemies of all that is righteous. Idol worshipers who cease not to call good evil and evil good with wicked schemes to destroy and overturn that which I have established. Perverting the natural laws and established boundaries, these are lawless children of the Devil.”

“As I have spoken, watch the raging correction and judgment of My Storm. Shepherds and sheep that compromise and appease will be judged the same as reprobates. I am exposing corporate greed and political corruption to the light of justice. I will pluck up and destroy and My wrath will not abate until My correction and justice are settled in My High Court. This is the moment when My children must choose, whoever is not with me is against me, and whoever does not gather with me scatters. Speak and warn for I am a consuming fire and My roar has gone across the land.”

There was more but this is what I am released to share. From the early warning in 2018, I knew that hapless shepherds and wayward sheep were going to be corrected or cut from the vine (Jesus) and that corruption and unfathomable sin was going to be revealed to the light and judged.

As with the erection of the Arch of Baal, the turning away from the principles of our Founding Fathers and Judeo-Christian values, the storm prophesied in 2018 hit in January (2020) and will subside near the middle of 2021. There is judgement and the likelihood of death for the most egregious. Nevertheless, the Grandmaster has been steps ahead of Satan and his legions. Liberals/Socialist/Marxist, anarchist, and phony organizations that are a façade for evil will be exposed and judged.

“Repair the Breach”

Lastly, The Bible indicates that there will be a great apostasy during the end times. The “great apostasy” is mentioned in 2 Thessalonians 2:3. The KJV calls it the “falling away,” while the NIV and ESV call it “the rebellion.” And that’s what an apostasy is: a rebellion, an abandonment of the truth. The end times will include a wholesale rejection of God’s revelation, a further “falling away” of an already fallen world. Jesus warned the disciples concerning the final days in Matthew 24:10–12: “At that time many will turn away from the faith and will betray and hate each other, and many false prophets will appear and deceive many people. Because of the increase of wickedness, the love of most will grow cold.” These are the characteristics of the great apostasy of the end times.⁷

In this season of correction and judgment (The Storm), there are already too many false prophets. Some will be as in the day of Jeremiah, speaking the same soothing, pacifying words to flocks with itching ears. Their “messages” will not include genuine repentance, being “born-again” (John 3:7) or living a Godly life. With practiced intent, it will be about the mammon - manipulated to give. The same ole “money merchants” deceiving in order to fleece naive and gullible sheep.

The other, many will deceptively claim (as they did with the election of President Trump) they saw the problems the nation is facing well in advance and prophesied regarding them. False prophets – clouds without rain, trees without fruit. Sad, with no true warning from the old “wineskins” and pretenders, it shows how very few true prophets there are in a nation that was founded and dedicated to God.

In our prayers...
